The Bondi Football Academy (BFA) provides youngsters with the opportunity to master the unique style of South American football. The academy embraces the unique training programs for both beach and grass football and is recognised as a "hot bed" for emerging soccer talent whilst assisting in the development and progress of young Australian football players.

Player's skills are honed from an early age. The BFA aims to develop players':

- Personal soccer skills;
- Specific game tactics;
- Scientific methods of training;
- A mental edge; and
- Sportsmanship

Coaching is available for age groups 3 to 18 years old.

The BFA is fully endorsed by the Argentinean FAA (Futbolistas Argentinos Agremiados).

Standard Terms and Conditions

These are our terms and conditions we hope this will help you understand the way we run our academy

- Only one session is allowed for a trial session at the cost of one session after sessions are to be booked in packs of 10.
 - You must give 24 hours notice if your child is sick on their registered day to be able to make up your session within the 10 weeks or take only 1 sick day over to the 11th session.
 - No notice needs to be given if you choose to do an extra session that's not on your registered day.
 - It will be your responsibility to have your make up session within ten weeks as it will be lost even if you rang up as a sick day.
 - Football is usually on even when raining. Cancellations can only be made by (Hector) 30 min prior to a session starting, depending on the grounds. (Players still need to train and play in the wet as the ball bounces differently and clubs can still play in the rain so this will give them a great experience).
 - Rain sessions that have been cancelled are to be made up within the 10 weeks only if the cancellations land on your last session only then you can take that session over to your next 10 sessions as a make up lesson.
 - On school holidays it is up to you to find out when the Bondi Football Academy holidays are, as different schools have different times, it doesn't necessarily mean we start our holidays at the same time as your school. Please look up the web site www.bondifootball.com regarding when our holidays break up Thank you.
 - Saturday and Sundays sessions are always on. We only have two weeks off at Christmas time. Please check the website for all dates.
 - We have sessions 6 days a week please go to our website regarding the times available if you are making up a session not on your registered day.
 - All kids need to get a stamp as they arrive at the Bondi Football Academy as a roll call , please try to do this before they start by arriving 5 min earlier so they can start on time and not miss their play time
 - Please do check up the roll call book with our staff occasionally so if you are owed a session or a make up lesson we can help you not to leave it to the last minute to make up that session and risk loosing it, we don't want the kids to loose their sessions if we can help it (sessions to be made up within 10 weeks only one sick day can be taken over to the eleventh week prior to rang up 24 hours notice was given).
 - It will be a real boost for our Bondi Football Academy players to do at least 1 soccer camp a year to advance their skills.
 - Our football camps are usually on from 9am to 1pm Mondays to Fridays (must bring morning tea and lunch sunscreen, hat and plenty of water).
 - All kids must be companioned by an adult parent or guardian at all times as we not responsible for kids left alone on weekly sessions.
