ARGENTINE GUILD OF SOCCER (FOOTBALL) PLAYERS

Through the present we inform, to whom it may concern, that Mr Hector Martinez, a person known to us, has carried out his sporting activities as a professional player for the following clubs: River plate, Atlanta and Ferro Carril Oeste (where he was chosen to participate in the Youth Selection). He has distinguished himself as a player, with great demonstration of ability and goal scoring (distinguished in free kicks) and he is a person of irreproachable character. In a similar manner, he was a member of our syndicate.
